

CYRUS ONE DATA CENTER

Chandler, Arizona

Cyrus One is the first company to locate in Continuum Park, a 152-acre master-planned science and technology business park located in the Price Corridor in Chandler. This fast track project accomplished a 40 acre Land Acquisition September 2011, Ground Breaking August 13, 2012, and held a Topping Out Ceremony September 6, 2012.

The Phase I design consists of a 3 story, 78,000 SF Office Building (steel frame building with precast concrete exterior skin), and a 1 story, 88,000 SF Data Center (steel frame & precast building).

The long term plan for Cyrus One is to provide 1,000,000 SF data center
